Aspire and Achieve

Home – School Agreement

Agreement between Ryedale School and our parents/carers and students.

Ryedale School is committed to combining the very best educational provision with high expectations and traditional values. In doing so we challenge and support students to both fulfil their academic potential and become exemplary young people of whom we can all be proud. This unites us in our commitment to **'Aspire and Achieve'**.

We shall do this by:

- ensuring the highest possible achievement for all through a challenging programme of academic and extra-curricular opportunities;
- encouraging students to develop into good citizens by emphasising responsibility, tolerance and courtesy;
- creating a strong partnership between the school, the parents and the wider community for the benefit of all;
- creating a physical environment which is safe, stimulating and highly valued.
- promoting our Ryedale Values of honesty, kindness and respect.

Ryedale School can only achieve its aims and communicate its values by working in partnership with parents and students. This agreement forms the cornerstone of that partnership.

Ryedale School will:

- encourage your child to 'Aspire and Achieve' at all times;
- strive to meet the individual needs of your child;
- provide a broad and balanced curriculum;
- assess your child's progress at regular intervals and inform your child of that progress;
- set homework regularly;
- provide termly reports that will continually update you on your child's progress throughout the year;
- arrange parents' evenings during which progress can be discussed;
- maintain high standards of work and behaviour;
- communicate termly with parents/carers through newsletters;
- treat your child with respect.
